Picture	Product Name	Manufacturer	Description	Retail Price (USD)
	Dental Chair	Flight	A6 Radius	Request Quote
	Dental Chair		A12 Operatory Systems	
	Clave 16+		The Flight Clave 16+ is a Class N steam sterilizer for dental, veterinary, and medical offices. It uses advanced pressure pulsing technology for efficient air removal, faster sterilization, and reduced maintenance. With a 16L chamber, 3 trays, and 5 programmed cycles, it ensures reliable, high-performance sterilization.	Request Quote
	Clave 23+		The Flight Clave 23+ is a Class N steam sterilizer with a 23L chamber, ideal for dental, veterinary, and medical offices. It uses advanced steam pulsing technology for efficient air removal, fast sterilization, and air-assisted drying. Featuring a robust steel build, it offers five programmed cycles for versatile sterilization needs.	
	Intraoral Sensor	iRay	20 µm pixel pitch CMOS sensor with CsI scintillator, High resolution, AED trigger, fast and easy workflow	Request Quote
	Portable Handheld Xray		Intra-Oral X-ray machine 7-inch LCD touch screen	Request Quote
	iRay Sensor Wireless		Cordless sensor, Friendly for special scenario and implant surgery	Request Quote
	SIS-ORP-ZL-1.5 1.5	Biosis Healing	15 mm x 15 mm Dental Membrane	\$90.00
	SIS-ORP-ZL-1.5x2.0		15 mm x 20 mm Dental Membrane	\$140.00
	SIS-ORP-ZL-1.5x2.5		15 mm x 25 mm Dental Membrane	\$150.00
	SIS-ORP-ZL-2x2		20 mm x 20 mm Dental Membrane	\$160.00
	SIS-ORP-ZL-2x3		20 mm x 30 mm Dental Membrane	\$220.00
	SIS-ORP-ZL-4x3		30 mm x 40 mm Dental Membrane	\$320.00
	Microscope	Bondent	Large zoom objective: the WD200-550MM zoom objective lens has a large and variable range of 350mm. Spot size is continuously adjustable as needed to make the treatment more focused and less disturbed. Electronic focus assists you during surgery for increased efficiency and effectiveness.	Request Quote
	i Root Pro		Cordless endo motor integrated with Apex Locator	\$888

	M3-Platinum .VEU (Sterile)-Assortment 25mm	Bondent	6 piece / blister	\$33.00
	FLASH (Sterile) - Assortment 25mm		3 piece / blister	\$29
	M3-immature blue-Taper 4%&6%		6 piece / blister	22
	Gutta Percha Points	SANI	Best biocompatibility, Higher radiopacity than regular GP, Stiff but flexible, Clean and neat cutting by Easy Pack, Not at all sticky	\$5~8
	Absorbent Paper Points		High solidity and absorbency for operator convenience, 100% irradiated by gamma-ray. Sterilization assurance level: 10-6, Accurate Size: Consistent quality / Laser inspection for tip & paper, Lintless clean surface, Various size selections in diverse packages, Vivid length mark : Calibrated at 16mm, 18mm, 19mm, 20mm, 22mm, and 24mm	\$3~6
	Dental Burs		Multi-layer emery & super wear-resistant, Fast & smooth cutting, Long service life, High hardness, Strong abrasion resistance, Ergonomic design	Request Quote
	ES70~90 Implant Motor Plus	JINME	Surgical drive system: 4 in 1 equipment, Tooth extraction, Implant, High speed, Low speed, External saline water: Sterile and comfortable tooth extraction, No need for compressed air and water from dental chair, Portable equipment, Suitable for different scenes, Training center, outside gratuitous treatment etc	\$4300~5200
	Dentist Cart	JINME	The Jinme E8 Mobile Dental Solution's Dentist Cart is a compact, portable unit designed for efficient dental procedures. Equipped with two electric motors, a vacuum/air compressor, surgical drive system, prophylaxis air polisher, ultrasonic scaler, air/water syringe, and multiple handpieces, it ensures precision and mobility for modern dental practices.	\$16,000
	Assistants Cart		The Jinme E8 Assistant Cart complements the dentist's cart with its ultra-quiet design, featuring high/low-speed suction, a 13L waste bottle, and a unique waste flush system. Equipped with durable casters and a stainless steel frame, it enhances efficiency and mobility in dental practices.	
	1:5 Electric Handpiece	JINME	6pcs German bearing: Low noise, Limited vibration, Strong cutting power, Triple water spray: Sufficient cooling effect, Imported fiber, High illumination provides bright visibility	\$500
	1:4.2 Electric Handpiece		Tooth extraction handpiece, German bearings, Internal water spray/ External water spray	\$900
	1:1 Electric Hand Piece		Standard E-type connector, Easy to disassemble, Fiber optic	\$650
	Other Handpiece Models		Many other models to meet different needs.	Request Quote
	Dental Camera Recorder System	Medfruituion	1080P( 4K Optional), Optical zoom 30X, Supports photography, Video recording, Live streaming and remote consultation making it ideal for academic conferences, university lectures, and daily studies, Provides dentists with a comfortable monitoring distance, allowing to share high-definition images and videos synchronously anytime and anywhere, High-standard lights are produced without stroboscopic effects and with industry-leading color reproduction	\$9,600
	Dental Surgery Light		The Medfruituion IL-480 dental operating light, manufactured by Medfruituion Electronics (est. 2012, ISO 13485:2016 certified), offers advanced optics and high-quality illumination for dental procedures. Designed for reliability and precision, it supports various dental applications. The company provides turn-key solutions, ensuring low risk and high performance.	\$2,500
	P4875-NH	iSonic	The iSonic P4875-NH is a 2-gallon ultrasonic cleaner designed for dental, veterinary, tattoo, piercing, and surgical applications. It features a large 7.5L tank, three powerful ultrasonic transducers, quiet operation, and a stainless steel basket. Ideal for cleaning full-size cassettes, it includes a one-year warranty.	Request Quote
	CS8.0		The iSonic CS8.0-NH is a top-tier commercial ultrasonic cleaner with a 2.1-gallon (8L) tank, designed for dental, veterinary, and surgical use. It features a durable aluminum-plastic housing, three powerful transducers for uniform cleaning, and a 49K frequency for precise results. Not available for dental customers in North America.	Request Quote

	Dental Camera Recorder System	Medfruiton	The Medfruiton DCR-1 Dental Camera Recorder System features a lamp-mounted HD camera, adjustable arm, central recording box, foot/remote controls, and real-time video capture for dental procedures with seamless documentation.	\$9,600.00	\$7,600.00
	Dental Surgery Light		The Medfruiton Niceday LED Dental Surgery Light delivers uniform 8,000-30,000 Lux illumination, 5,000-5,700K color temperature, non-touch sensor controls, removable handles for easy cleaning, 3-axis smooth positioning, and 30,000-hour LED lifespan.	\$3,000.00	\$2,500.00
	P4861-NH	iSonic	The iSonic® P4861-NH Ultrasonic Cleaner, with a 1.6-gallon capacity, is designed for dental, veterinary, and medical use. It features two 60W ultrasonic transducers for efficient cleaning, a 30-minute timer, a stainless steel tank, and a drainage valve. Ideal for instruments, it ensures thorough, quiet operation.	\$799.95	\$699.95
	CS8.0		The iSonic CS8.0-NH is a top-tier commercial ultrasonic cleaner with a 2.1-gallon (8L) tank, designed for dental, veterinary, and surgical use. It features a durable aluminum-plastic housing, three powerful transducers for uniform cleaning, and a 49K frequency for precise results. Not available for dental customers in North America.	\$1,299.00	\$1,199.00

	DS400B	<p>The iSonic DS400B is a miniaturized commercial ultrasonic cleaner with 50W power, 40kHz frequency, and 0.87L stainless steel tank. Ideal for dental offices, it cleans dentures, aligners, retainers, burs, and files using disposable PET cups for hygiene. Features touch controls, protective lid, and 3-min auto-shutoff for safe, efficient use.</p>	\$129.95	\$109.95
---	--------	--	----------	----------

	ES70 Implant Motor	JINME	ES70 Implant Motor: A compact, high-precision dental motor by Jinme, ideal for implants, extractions, and restorations. Features a 0-40,000 RPM range, forward/reverse rotation, and 5-70 N·cm torque. Includes four handpieces, touchscreen interface, and 18-month warranty.	\$4,888.00	\$4,154.80
	ES90 Implant Motor		ES90 Implant Motor: Similar to ES70, this Jinme system offers enhanced versatility for surgical and restorative procedures. With a 220VAC input, 0-40,000 RPM, and autoclavable components, it ensures precision and control. Includes multiple handpieces and supports implants, osteotomy, and teaching.	\$5,899.00	\$5,014.15
	Dentist Cart		The Jinme E8 Mobile Dental Solution's Dentist Cart is a compact, portable unit designed for efficient dental procedures. Equipped with two electric motors, a vacuum/air compressor, surgical drive system, prophylaxis air polisher, ultrasonic scaler, air/water syringe, and multiple handpieces, it ensures precision and mobility for modern dental practices.	\$16,000.00	\$14,999.00
	Assistant's Cart		The Jinme E8 Assistant Cart complements the dentist's cart with its ultra-quiet design, featuring high/low-speed suction, a 13L waste bottle, and a unique waste flush system. Equipped with durable casters and a stainless steel frame, it enhances efficiency and mobility in dental practices.		
	1:5 Electric Handpiece		6pcs German bearing: Low noise, Limited vibration, Strong cutting power, Triple water spray: Sufficient cooling effect, Imported fiber, High illumination provides bright visibility	\$500.00	\$425.00
	1:4.2 Electric Handpiece		Tooth extraction handpiece, German bearings, Internal water spray/ External water spray	\$900.00	\$765.00
	1:1 Electric Hand Piece		Standard E-type connector, Easy to disassemble, Fiber optic	\$650.00	\$552.50
	J1/J1ps		Bur auto-lock handpiece	\$125.00	\$100.00
	Other Handpiece Models		Many other models to meet different needs.	Request Quote	Request Quote
